

The background is a deep blue gradient transitioning to a lighter purple at the bottom. It features several large, soft-focus images of galaxies or nebulae. Overlaid on this is a network of thin white lines connecting small white dots, resembling a constellation or a data network. In the center, there are three concentric circles. The word "NOVA" is written in a bold, white, sans-serif font, centered within these circles.

NOVA

**Turn your insurance
data into action**

Welcome to Nova

Wield data like never before

See opportunities before they are common knowledge, using Howden placement data combined with wider market financials.

Make data-backed decisions and inform more robust strategies, with pricing, profit and claims insights.

Control your view of risk by interacting with adjustable business models.

Nova turns information into action by combining

- **unique datasets** with
- **strategic consultancy.**

Market insight

Investor perceptions

Premium growth drivers

Pricing trends

Market dynamics

Profitability

Shareholder returns

Competitor analysis

Performance benchmarking
